

## 1. Product and Company Identification

**Product Code:** 343134  
**Product Name:** Butter Flavor  
**Trade Name:** Butter Flavor  
**Company Name:** Perfumer's Apprentice  
 170 Technology Circle  
 Scotts Valley, CA 95066  
**Web site address:** Perfumersapprentice.com  
**Emergency Contact:** Chem-Tel Phone (800)255-3924  
**Phone Number:** (831)316-7137

## 2. Hazards Identification

**Flammable Liquids, Category 3**  
**Serious Eye Damage/Eye Irritation, Category 1**  
**Skin Sensitization, Category 1**  
**Specific Target Organ Toxicity (repeated exposure), Category 2**

**GHS Signal Word:** Danger

**GHS Hazard Phrases:** H226: Flammable liquid and vapor.  
 H317: May cause an allergic skin reaction.  
 H318: Causes serious eye damage.  
 H373: May cause damage to {organs} through prolonged or repeated exposure.

**GHS Precaution Phrases:** P210: Keep away from {heat/sparks/open flames/hot surfaces}. - No smoking.  
 P233: Keep container tightly closed.  
 P241: Use explosion-proof electrical/ventilating/lighting/{...}/ equipment.  
 P242: Use only non-sparking tools.  
 P243: Take precautionary measures against static discharge.  
 P260: Do not breathe {dust/fume/gas/mist/vapors/spray}.  
 P272: Contaminated work clothing should not be allowed out of the workplace.  
 P280: Wear {protective gloves/protective clothing/eye protection/face protection}.

**GHS Response Phrases:** P302+352: IF ON SKIN: Wash with plenty of soap and water.  
 P303+361+353: IF ON SKIN (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water/shower.  
 P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
 P310: Immediately call a POISON CENTER or doctor/physician.  
 P314: Get medical attention/advice if you feel unwell.  
 P321: Specific treatment {see ... on this label}.  
 P333+313: If skin irritation or rash occurs, seek medical advice/attention.  
 P362+364: Take off contaminated clothing and wash it before reuse.

**GHS Storage and Disposal Phrases:** P403+235: Store in cool/well-ventilated place.  
 P501: Dispose of contents/container to {...}.

# SAFETY DATA SHEET

## Butter Flavor

Page: 2

Printed: 01/27/2016

Revision: 03/19/2014

|                                                      |                              |
|------------------------------------------------------|------------------------------|
| <b>Potential Health Effects (Acute and Chronic):</b> | No data available.           |
| <b>Inhalation:</b>                                   | May be harmful if inhaled.   |
| <b>Skin Contact:</b>                                 | May cause skin irritation.   |
| <b>Eye Contact:</b>                                  | May cause eye burns.         |
| <b>Ingestion:</b>                                    | May be harmful if swallowed. |

### 3. Composition/Information on Ingredients

| CAS #    | Hazardous Components (Chemical Name) | Concentration |
|----------|--------------------------------------|---------------|
| 57-55-6  | Propylene glycol                     | 77.0 -83.0 %  |
| 513-86-0 | Acetyl methyl carbinol               | 13.0 -14.0 %  |
| 600-14-6 | 2,3-Pentanedione                     | 4.0 -6.0 %    |

### 4. First Aid Measures

|                                            |                                                                                                                                         |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Emergency and First Aid Procedures:</b> | No data available.                                                                                                                      |
| <b>In Case of Inhalation:</b>              | If inhaled, remove to fresh air.                                                                                                        |
| <b>In Case of Skin Contact:</b>            | In case of contact, flush skin with plenty of water.                                                                                    |
| <b>In Case of Eye Contact:</b>             | In case of contact, immediately flush eyes with plenty of water for at least 15 minutes.                                                |
| <b>In Case of Ingestion:</b>               | Clean mouth with water and drink plenty of water.                                                                                       |
| <b>Signs and Symptoms Of Exposure:</b>     | To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.               |
| <b>Note to Physician:</b>                  | Persons with impaired kidney function may be more susceptible to the effects of this substance. Treat symptomatically and supportively. |

### 5. Fire Fighting Measures

|                                          |                                                                                                                                                                                                                                                        |
|------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Flash Pt:</b>                         | 48.88 F                                                                                                                                                                                                                                                |
| <b>Explosive Limits:</b>                 | LEL: No data. UEL: No data.                                                                                                                                                                                                                            |
| <b>Autoignition Pt:</b>                  | No data.                                                                                                                                                                                                                                               |
| <b>Suitable Extinguishing Media:</b>     | Use water spray, dry chemical, carbon dioxide, or alcohol-resistant foam.                                                                                                                                                                              |
| <b>Fire Fighting Instructions:</b>       | As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear. During a fire, irritating and highly toxic gases may be generated by thermal decomposition or combustion. |
| <b>Flammable Properties and Hazards:</b> | No data available.                                                                                                                                                                                                                                     |

### 6. Accidental Release Measures

|                                                                               |                                      |
|-------------------------------------------------------------------------------|--------------------------------------|
| <b>Protective Precautions, Protective Equipment and Emergency Procedures:</b> | Ensure adequate ventilation.         |
| <b>Steps To Be Taken In Case Material Is Released Or Spilled:</b>             | Dike to collect large liquid spills. |

### 7. Handling and Storage

**Precautions To Be Taken in Handling:** Handle in accordance with good industrial hygiene and safety practice.

**Precautions To Be Taken in Storing:** Store in a tightly closed container. Store in a cool, dry, well-ventilated area away from incompatible substances. Store protected from moisture.

### 8. Exposure Controls/Personal Protection

| CAS #    | Partial Chemical Name  | OSHA TWA | ACGIH TWA | Other Limits |
|----------|------------------------|----------|-----------|--------------|
| 57-55-6  | Propylene glycol       | No data. | No data.  | No data.     |
| 513-86-0 | Acetyl methyl carbinol | No data. | No data.  | No data.     |
| 600-14-6 | 2,3-Pentanedione       | No data. | No data.  | No data.     |

**Respiratory Equipment (Specify Type):** If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.

**Eye Protection:** Safety glasses.

**Protective Gloves:** No data available.

**Other Protective Clothing:** Wear suitable protective clothing.

**Engineering Controls (Ventilation etc.):** Safety shower and eye bath.

**Work/Hygienic/Maintenance Practices:** Wash thoroughly after handling. Wash contaminated clothing before reuse.

### 9. Physical and Chemical Properties

**Physical States:** ☐ Gas    ☒ Liquid    ☐ Solid

**Appearance and Odor:** Transparent yellow liquid.  
Butter taste and aroma.

**Melting Point:** No data.

**Boiling Point:** No data.

**Autoignition Pt:** No data.

**Flash Pt:** 48.88 F

**Explosive Limits:** LEL: No data. UEL: No data.

**Specific Gravity (Water = 1):** 1.0351 at 22.0 C

**Vapor Pressure (vs. Air or mm Hg):** No data.

**Vapor Density (vs. Air = 1):** No data.

**Evaporation Rate:** No data.

**Solubility in Water:** No data.

**Percent Volatile:** No data.

### 10. Stability and Reactivity

**Stability:** Unstable [ ] Stable [ X ]

**Conditions To Avoid -** No data available.

**Instability:**

**Incompatibility - Materials To Avoid:** No data available.

**Hazardous Decomposition Or Byproducts:** No data available.

**Possibility of Hazardous Reactions:** Will occur [ ] Will not occur [ X ]

**Conditions To Avoid - Hazardous Reactions:** No data available.

### 11. Toxicological Information

**Toxicological Information:** This mixture has not been subjected to toxicological testing but has been blended from materials with established toxicological bibliographies. In view of the difficulty of using current standard toxicological evaluation techniques to predict potential hazards to susceptible individuals or arising from unforeseeable potentiation, this preparation should be considered and handled as if it displayed health hazards and consequently treated with all possible precaution.

**Carcinogenicity:** NTP? No IARC Monographs? No OSHA Regulated? No

### 12. Ecological Information

**General Ecological Information:** This mixture as a whole has not been subjected to ecotoxicological testing. In view of the difficulty of using current standard ecotoxicological evaluation techniques to predict the impact of particular modes of release on vulnerable or localized parts of the ecosystem, this preparation should be considered and handled as if it displayed potential environmental hazards, and treated in consequence with all possible precaution.

### 13. Disposal Considerations

**Waste Disposal Method:** This material, as supplied, is not a hazardous waste according to Federal regulations (40 CFR 261). This material could become a hazardous waste if it is mixed with or otherwise comes in contact with a hazardous waste, if chemical additions are made to this material, or if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether the altered material is a hazardous waste. Consult the appropriate state, regional, or local regulations for additional requirements.

### 14. Transport Information

**GHS Classification:** Flammable Liquids, Category 3 - Warning! Flammable liquid and vapor  
Serious Eye Damage/Eye Irritation, Category 1 - Danger! Causes serious eye damage  
Skin Sensitization, Category 1 - Warning! May cause an allergic skin reaction  
Specific Target Organ Toxicity (repeated exposure), Category 2 - Warning! May cause damage to organs through prolonged or repeated exposure

### 16. Other Information

Revision Date: 03/19/2014

**Additional Information About This Product:** This product contains no added diacetyl as an ingredient. However, because diacetyl can occur in small amounts as an artifact of the production process in other ingredients, "No Added Diacetyl" products may not be "Diacetyl Free", as trace amounts may be present.

**Company Policy or Disclaimer:** The information provided on this SDS is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guide for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered as a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any other process, unless specified in the text.
