Exposure Guidelines : Threshold Limit Value (TLV) : Not Known
OSHA Permissible Exposure Limit (PEL) : Not Known

9. Physical and Chemical Properties

Appearance : Colorless
Odour : Almond – like
Refractive Index at 20°C : 1.5460
Physical State : Clear mobile liquid
Density at 20°C (g/ml) : 1.0440

10. Stability and Reactivity

Stable under normal conditions

11. Toxicological Information

Local effects : No information available
Sensibilization : No particular hazard, with a good sense of work hygiene

12. Ecological Information

No characteristic facts

13. Disposal Consideration

Incinerate and observe local, state and federal regulations
